

ELSINORE MIDDLE SCHOOL · PROFESSIONAL LEARNING TEAMS

The Road to PLC Right

From holding PLC meetings to being a Professional Learning Community that ensures every student learns.

THIS YEAR · ONE HONEST CYCLE

18 meetings. One complete learning cycle.

OUR DESTINATION · THREE BIG IDEAS

A focus on learning

Measured by what students learn, not only what we teach.

A collaborative culture

Teams work interdependently — every student is "our" student.

A results orientation

Evidence of learning — not adult preference — drives our next move.
