

Reassessment and Results

Determining whether the response worked.

Why this meeting matters

This completes the student learning part of the cycle. Teams should be able to see whether their collective response made a difference.

Meeting 17 · Wednesday, May 5, 2027 · 45 minutes

Focus	Did students learn after additional time and support?
Leave with	Reassessment results and final student learning evidence.

Agenda — step by step

Time	What the team does
0–5 min	Review norms and roles. Confirm who holds each role today and re-read your team norms together. Bring the results from your reassessment.
5–20 min	See who improved. Identify students who grew and those who still need support.
20–30 min	Name what worked. Which intervention/extension strategies made the difference?
30–38 min	Plan final support. Decide any remaining support for students not yet there.
38–45 min	Capture the cycle's learning. What did the full cycle teach you?
