

# Essential Standards Organizer

Complete in Step 2 / Meeting 5 as you identify your essential standard. · Team: \_\_\_\_\_ Date: \_\_\_\_\_

Unit/Topic: \_\_\_\_\_ Timeframe: \_\_\_\_\_

| Essential Standard | What Students Must Know | What Students Must Be Able to Do | Academic Vocabulary | Proficiency Looks Like |
|--------------------|-------------------------|----------------------------------|---------------------|------------------------|
|                    |                         |                                  |                     |                        |
|                    |                         |                                  |                     |                        |
|                    |                         |                                  |                     |                        |
|                    |                         |                                  |                     |                        |
|                    |                         |                                  |                     |                        |
|                    |                         |                                  |                     |                        |
